Code of Conduct

TEAM EXPECTATIONS AND GUIDELINES:

You are expected to attend all practices unless you are working, ill or have previously arranged to be excused. Participation in the shows is dependent on practice participation, conduct, ability and size. Parents please complete a practice-show schedule form and identify planned vacations so the show director will plan act practice accordingly. Absences the week before a tournament are strongly discouraged. Show positions are appointed by the Show Director

COOPERATION: is absolutely essential. This means listening to directions in order to keep practice safe and productive. All members must follow directions of the Show Director at all times. The Dock Boss supervises all activities on the Dock. Skiers that do not follow the Show Director's or Dock Boss' directions can be dismissed from the practice and shows.

RESPECT: It is important to treat all team members and volunteers with respect. Keep in mind that people may be new and it is all of our responsibility to help one another. Negative comments do not help. Do not post negative comments regarding Ski Broncs and its members on social media forums. Be positive, constructive and encouraging. Remember, we do this because we like water skiing and want to put on the best show we can.

BOAT BEHAVIOR: The boat drivers volunteer their time to support this club. It is mandatory that all skiers respect the driver and the condition of their boats. When on the water do exactly as instructed by the driver. Skiers wipe down boats immediately after shows and practice. A kind "Thank-you" is appropriate to the driver/spotter after each pull.

CONDUCT: Members will not be under the influence of alcohol/drugs at any event. Consumption on days of practice and shows will not be tolerated. No smoking in the building, ski areas, boats and docks. Inappropriate language will not be tolerated. Should a concern or a dispute occur, contact the show director or members of the show directing team first. If the issue is not resolved, contact an officer of the Board of Directors.

SHOWMANSHIP: We are a show TEAM, and we have to keep a positive mental attitude at all times. That means enthusiasm, smiling and waving. You are an entertainer. The show must go on even if mistakes are made. Work together and keep the team and show in mind.

BOAT DRIVING and SAFETY RELEASE: Boat drivers drive the boats according to boat safety and show patterns. Spotters and release people are required and are critical to safety. The safety boat and passenger also have an important role with team safety. All boat drivers and riders must be alert at all times. Skiers need to make sure that they communicate with drivers and spotters before each pull.
